INTERNSHALA TRAININGS

CERTIFICATE OF TRAINING

Android App Development

Mohammed Ata Ur Rahman Shahzad has successfully undergone a six weeks online winter training on Android App Development. The training program consisted of Introduction to Android, World of Kotlin, Android Kick-Off, Higher Order Functionalities and The Final Project modules and lasted for six weeks from 1st January, 2020 to 12th February, 2020.

We wish Mohammed Ata Ur Rahman all the best for future endeavours.
